# World Land Trust

We are proud to announce that the Bulles Blanc Rouge Team are official sponsors of World Land Trust (WLT). We are pleased to support this organisation by donating wine for WLT events and auctions to raise funds for the Trust's vital work in saving endangered habitats.

World Land Trust (WLT) is an international conservation charity, which protects the world's most biologically important and threatened habitats acre by acre. Since its foundation in 1989, WLT has funded partner organisations around the world to create reserves, and give permanent protection to habitats and wildlife.

Our aim is to raise awareness, in the UK, of the need for conservation, to improve understanding and generate support through fundraising at WLT events.

Most recently Bulles Blanc Rouge sponsored a WLT event on 23 March 2017. £1000.00 was raised from the auction of Bulles Blanc Rouge wines and these funds have been directed to WLT's Borneo Appeal working with local partner Hutan to save and protect land for the Bornean orang-utan and other critically threatened species.

It's important for our customers to know that every order counts and we appreciate the support thus far, a BIG Thank You.
